SENSING LOGIC

STATEMENT REGARDING SUBSTANCE OF TELEPHONIC INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On April 28, 2004 Applicant's representative conducted a telephonic interview with the Examiner regarding the above captioned patent application.

The substance of the interview concerned a Restriction Requirement mailed on April 23, 2004. During the interview, Applicant's representative noted that the Restriction Requirement was directed to previously canceled claims 1-62, instead of pending claims 63-83. During the interview, the Examiner agreed that claims 1-62 had been properly canceled, claims 63-83 had been properly added and that a response to the Restriction Requirement was not necessary. The Examiner verbally withdrew the Restriction Requirement.

On May 6, 2004, the Examiner issued an Office Action addressing pending claims 63-83 and acknowledging that claims 1-62 were in fact canceled. The Office Action contained an Interview Summary requesting that Applicant's representative file this paper.

No fee is believed to be due at this time. However, if required, the Commissioner is hereby petitioned, under 37 C.F.R. § 1.136 (a), to extend the time for filing a response to an outstanding Office Action, or any communication filed in this application by this firm, by the number of months which will avoid abandonment under 37 C.F.R. § 1.135. The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1073, under order number M4065.0578/P578-A.

Dated: May 17, 2004

Respectfully submitted,

By
